

Epcot Attraction Challenge - Presented by theweeklmouse.com

RULES:

1. Have Fun
2. Be Polite
3. Don't Run
4. Hydrate

CHOSEN START TIME: _____

CHOSEN END TIME: _____

If playing as a team, teammates must stick together for the duration of the game! If a teammate is unwilling to ride a certain attraction (example - gets motion sick on Cosmic Rewind), that teammate needs to wait at the exit. Cross out attractions that teams agree upon in advance they will not do (example - ride refurbishments, or your challenge will end before the showing of Harmonious). You can also note total wait time next to each attraction/the numerical order in which you do the attraction. Use the "notes" section at the end to add any notes, such as attraction downtime or other mishaps.

Additional rules for Epcot: Teams can agree in advance as to what their rules will be for Cosmic Rewind - will teams allow the purchase of Individual Lightning Lane, or just use virtual queue, or will it be in play for the challenge at all? Teams can also decide if they would like to allow Single Rider for Test Track.

There are a lot of shows at Epcot - be polite to fellow guests & performers, and do not leave shows early! Plan your day wisely. There are a lot of shows, characters, food, and walk-through experiences in addition to rides. Check showtimes, character meet & greet times, and more to maximize your points!

Eat & Drink Around the World Challenge

There are 11 countries represented in World Showcase. As part of today's attraction challenge, you can also participate in an eating/drinking around the world challenge if you so choose! *Note - if you choose to drink alcohol please do so responsibly! Don't forget to hydrate with water!*

For each country, write down what food or drink you consumed! 2 points per country you stopped at (you may only collect points once per country). Just one team member has to get something for you to collect points from each country, and it can be anything found in the pavilion (water bottle, popcorn, etc. are OK!).
