

Hollywood Studios Attraction Challenge - Presented by theweeklmouse.com

RULES:

1. Have Fun
2. Be Polite
3. Don't Run
4. Hydrate

START TIME: _____

END TIME: _____

If playing as a team, teammates must stick together for the duration of the game! If a teammate is unwilling to ride a certain attraction (example - gets motion sick on Rock N Rollercoaster), that teammate needs to wait at the exit. Cross out attractions that teams agree upon in advance they will not do (example - ride refurbishments, or your challenge will end before nighttime shows). You can also note total wait time next to each attraction/the numerical order in which you do the attractions. Use the "notes" section at the end to add any notes, such as attraction downtime or other mishaps.

Additional rules for Hollywood Studios: Teams can agree in advance as to what their rules will be for Rise of the Resistance - will teams allow the purchase of Individual Lightning Lane, or just use Genie+? Will teams allow single rider on Rock n Rollercoaster & Smugglers Run?

There are a lot of shows at Hollywood Studios - be polite to fellow guests & performers, and do not leave shows early! Plan your day wisely. There are a lot of shows, characters, & walk-through experiences in addition to rides. Check showtimes, character meet & greet times, and more to maximize your points!
